A. 1) IV. A. 2) IV. A. 3) IV. A. 4) IV. A. 5) IV. A. 6) IV. A. 7) IV. A. 8) IV. A. 9) IV. A. 10)
7	**Add-on-Cover**	**Section II** 1. White spot disease (WSD) 2. Infectious myonecrosis (IMN) 3. Vibriosis 4. Infectious hypodermal and hematopoietic necrosis (IHHN) 5. Hepatopancreatic microsporidiasis (HPM) 6. Running mortality syndrome (RMS) **Section III** 1. Fire	 IV. B. 1) IV. B. 2) IV. B. 3) IV. B. 4) IV. B. 5) IV. B. 6) IV. C. 1)

		2. Storm, Flood, landslide, rockslide, inundation, typhoon, tempest, and hurricane. 3. Lightning 4. Explosion/Implosion caused by Centrifugal forces. 5. Impact by any Rail/Road Vehicle or animal. 6. Aircraft, and other aerial and/or space devices and/or articles dropped therefrom, excluding destruction or damage occasioned by pressure waves caused by such devices. 7. Earthquake, volcanic eruptions and other convulsions of nature.	IV. C. 2) IV. C. 3) IV. C. 4) IV. C. 5) IV. C. 6) IV. C. 7)
8	**Loss Participation**	**DEDUCTIBLE / EXCESS CLAUSE** • **Section I & II:** A deductible of twenty percent (20%) shall apply to each and every claim arising during the Policy Period. The Company shall indemnify the Insured up to eighty percent (80%). The remaining twenty percent (20%) shall be borne by the Insured. • **Section III**: The first Rs.10,000 of each and every loss arising from insured perils shall be borne by the Insured. This excess shall apply per event, per insured pond.	VII. 1) VII. 2)
9	**Exclusions (what the policy does not cover)**	**General Exclusions (Applicable to all Sections)** 1. Claims arising from war, invasion, civil unrest, rebellion, revolution, mutiny, military/ usurped power, seizure, confiscation, detention, or nationalisation/requisition by government or authority. 2. Claims or consequential loss arising from: (i) Ionizing radiation or radioactive contamination from nuclear fuel/waste or nuclear fission. (ii) Nuclear weapons material. (iii) Hazardous properties of any nuclear assembly or component. **Applicable to Section I and II** 1. All diseases (unless the relevant add-on cover is opted for). 2. Partial loss (mortality below 70%). 3. Malicious or willful injury, intentional killing, poisoning, negligence, or error by the Insured or their representatives. 4. Injudicious, incorrect, or excessive application of drugs or chemicals 5. Unskillful treatment, rough handling, or improper management. 6. Diseases or mortalities due to poor nutrition, substandard feed, or management failures. 7. Predators or competitor species (birds, snakes, otters, weed fish, etc.). 8. Low water levels, chemical alterations, pH imbalance, soil/water salinity changes, or asphyxia 9. Undergrowth, overcrowding, or cannibalism. 10. Natural mortality. 11. Losses during: (i) Pond cleaning or maintenance, (ii) Sampling for growth/quality, (iii) Transit or transport. 12. Mortality during hatchery-to-farm stocking. 13. Burglary, poaching, or theft. 14. Clandestine sale or disappearance without verifiable evidence. 15. Fraud or dishonesty by persons managing the shrimp stock. 16. Destruction of ponds/culture as per government or legal orders.	V. A. 1) V. A. 2) V. B. 1) V. B. 2) V. B. 3) V. B. 4) V. B. 5) V. B. 6) V. B. 7) V. B. 8) V. B. 9) V. B. 10) V. B. 11) V. B. 12) V. B. 13) V. B. 14) V. B. 15) V. B. 16)

		17. Loss of production or profit. 18. Polyculture practices. 19. Consequential losses of any kind. 20. Legal liability of any nature. 21. Harmful algal or plankton blooms, unless caused by a covered climatic peril. 22. Temperature fluctuations not due to a covered peril. 23. Flood or inundation from normal water level variations. 24. Use of Shrimp for purposes other than rearing stated in the Policy Schedule without prior consent. 25. Anything not specifically included within the Policy scope. **Exclusions applicable to Section III** 1. Pollution or contamination, except: (i) When caused by an insured peril; or (ii) When an insured peril results from such pollution or contamination. 2. Loss of earnings, market, delay, or any consequential or indirect loss or damage. 3. Spoilage due to interruption or cessation of operations caused by an insured peril. 4. Theft during or after the occurrence of an insured peril. 5. Missing or untraceable Pond(s) not linked to a specific insured event. 6. Reduction in market value of the Insured Pond after repair or reinstatement. 7. Costs or expenses incurred in preparing any claim. 8. Damage due to structural weakness, soil consolidation, or natural erosion. 9. Erosion from normal wave action in the pond. 10. Loss or damage resulting from: (i) Destruction by order of a public authority; or (ii) Subterranean fire. 11. Damage to ponds caused by burning (accidental or otherwise), including forest, bush, or land-clearing fires.	V. B. 17) V. B. 18) V. B. 19) V. B. 20) V. B. 21) V. B. 22) V. B. 23) V. B. 24) V. B. 25) V. C. 1) V. C. 2) V. C. 3) V. C. 4) V. C. 5) V. C. 6) V. C. 7) V. C. 8) V. C. 9) V. C. 10) V. C. 11)
10	**Special Conditions and Warranties (if any)**	• **Disclosure of Information** Any misrepresentation, mis-description, or non-disclosure of material facts by the Policyholder, whether at inception or renewal, shall render the Policy void and all premiums paid shall be forfeited to the Company. • **Reasonable Care** (a) The Insured shall exercise due care and diligence in managing aquaculture operations, as if uninsured, and shall ensure healthy stocking practices. (b) Upon detecting any disease outbreak, the Insured shall promptly segregate and remove infected shrimp to prevent spread and implement all prescribed biosecurity measures as per guidelines of the CAA, MPEDA, or other competent authorities. • **Farm Maintenance (The Insured shall ensure)** (a) Efficient supervision and farm management. (b) Timely liming, manuring, de-weeding, de-silting, and soil/water maintenance with proper records. (c) Strong, well-maintained bunds, inlets, outlets, and sluice gates to prevent shrimp escape.	VI. 1) VI. 3. a) VI. 3. b) VI. 4. a) VI. 4. b) VI. 4. c)

		(d) Use of quality-tested post-larvae from licensed hatcheries.	VI. 4. d)
		(e) Regular testing of pH, dissolved oxygen, salinity, temperature, and turbidity.	VI. 4. e)
		(f) Immediate removal of dead or diseased shrimp and disease control measures.	VI. 4. f)
		(g) Fortnightly biomass estimation through standard methods.	VI. 4. g)
		(h) Adequate farm security (24-hour watchman or equivalent measures).	VI. 4. h)
		(i) Proper scheduling of stocking, feeding, and maintenance operations.	VI. 4. i)
		• **Inspection** The Insured shall permit Company representatives to inspect the aquaculture units, records, and facilities, and comply with any reasonable directions issued by the Company.	VI. 5)
		• **Maintenance of Records** The Insured shall maintain daily and periodic records of water/soil parameters, stocking, feed, biomass, purchases, disease control, and production details, and submit these to the Company monthly or as requested.	VI. 8)
		• **Cessation of Risk** Coverage ceases immediately upon harvest, sale, or transfer of interest in the insured Shrimp.	VI. 10)
		• **Emergency Harvesting** In the event of disease outbreak or other emergency, the Insured shall harvest immediately in consultation with the Company. Failure to do so may void liability.	VI. 11)
		• **Fraud** Any fraudulent claim, false statement, or device used to obtain benefits shall forfeit all rights under this Policy. The Company may recover any amount already paid.	VI. 13)
		• **WARRANTIES (**Breach of any of the following warranties shall render this Policy voidable, and the Company may reject any claim under such Policy.)	
		1. Shrimp ponds must be prepared as per prescribed and established practices.	XIII. 1)
		2. Shrimp seeds must be healthy, of good quality, meet CAA, MPEDA, or other government norms, and be purchased from authorized hatcheries.	XIII. 2)
		3. Feed must be high-quality and procured from reputed suppliers.	XIII. 3)
		4. Stocking densities must not exceed 12 seeds/m² for *P. Monodon*, 40 seeds/m² for *P. Indicus*, and 60 seeds/m² for *L. Vannamei* and *P. Vannamei*, subject to biosecurity, reliable power, technical competence, and infrastructure.	XIII. 4)
		5. Coastal farms larger than 5 hectares must maintain an effluent treatment pond covering at least 10 percent of the total area.	XIII. 5)
		6. Proposer/Insured must observe a holiday period for pond preparation, as recommended by CAA, MPEDA, or other government agencies, and ensure proper pond treatment before releasing fresh seeds.	XIII. 6)
		7. In case of disease outbreak or catastrophic loss, premature harvest should be carried out based on expert advice and consultation with the Company.	XIII. 7)
		8. All farming practices in the coastal aquaculture unit must strictly comply with norms and guidelines issued by CAA, MPEDA, Fisheries	XIII. 8)

		Department, research institutes, or any other relevant government authority, as updated from time to time.	
11	**Admissibility of Claim**	The Insured must immediately notify the Company within 24 hours of any event that may give rise to a claim. Within seven days of the loss, the Insured must submit a fully completed claim form in the prescribed format, at their own expense, along with all required particulars, proofs, explanations, witness statements, and details of any other insurance covering the same risk.	X. A)
12	**Policy Servicing – Claim Intimation and Processing**	Please contact your Policy issuing office, details of which are mentioned in your Policy Schedule.	
13	**Grievance Redressal and Policyholders' Protection**	In case of any grievance, you may contact UIIC through: a. Website: www.uiic.co.in b. Toll Free Number: 1800 425 333 33 c. E-Mail: customercare@uiic.co.in You may also approach the grievance cell at any of our branches with details of the grievance. Alternatively, you may lodge a complaint at the IRDAI Integrated Grievance Management System (https://igms.irda.gov.in/) OR approach the Office of the Insurance Ombudsman in your respective Area/Region. Details of Insurance Ombudsman offices have been provided as Annexure – 1 in the Policy.	
14	**Obligations of the Policyholder**	**Disclosure of Information:** Policyholder is required to disclose all material information such as, but not limited to, pre-existing diseases/conditions etc. as sought in the Proposal form and other connected documents. Non-disclosure, misrepresentation or misdescription of such information may result in claim not being paid and shall make the policy void and all premium paid thereon shall be forfeited to UIIC.	

Declaration by the Policy Holder

I have read the above and confirm having noted the details.
