

Fair Practices Code

1. Loan Application

Loan application forms should include necessary information which affects the interest of the borrower, so that a meaningful comparison with the terms and conditions offered by other NBFCs can be made.

2. Guarantors

When a person is considering being a guarantor to a loan, he should be informed about his liability as guarantor, the amount of liability he will be committing himself to the bank, and the circumstances under which the bank will call on him to pay.
