Subject: Claim for T+1 Penalty for Delayed Auto-Reversal of Failed UPI Transaction

To The Nodal Officer,

Dear Sir/Madam,

I initiated a UPI transaction which failed, but the amount was debited. The amount was not auto-reversed within the mandated T+1 day timeline.

As per the NPCI Circular, banks must reverse failed UPI transactions within T+1 days. Failure attracts a penalty of Rs. 100 per day. I claim compensation of Rs. [Amount].
