

Master Direction on Digital Payment Security Controls

Section 1: Internet Banking Security Controls

- 1.1. REs shall introduce a cooling period of at least 12 hours before allowing funds transfer to a newly added beneficiary.
- 1.2. REs shall set limits on the amount of funds that can be transferred during the cooling period.

Section 3: Customer Protection

- 3.1. Zero Liability of a Customer: A customer's entitlement to zero liability shall arise where the unauthorised transaction occurs due to contributory fraud/negligence by the bank, or a third party breach where the customer notifies the bank within three working days.
