

UPI FAQs

Q1: What happens if I entered the wrong UPI PIN?

A: If you enter the wrong UPI PIN multiple times, your bank may block the UPI service for security reasons. You will have to reset your UPI PIN.

Q2: What is the transaction limit for UPI?

A: The maximum limit is Rs. 1 Lakh per transaction for normal UPI transfers. For specific use cases like IPO and Retail Direct Scheme, the limit is Rs. 5 Lakhs.
